

COFFS HARBOUR SURF LIFESAVING CLUB LTD
Incorporating Coffs Harbour Surf Lifesaving Club

24th Annual Report and Financial Statements 2008-2009

PROUDLY PATROLLING PARK BEACH SINCE 1923

The Annual General Meeting of the Coffs Harbour Surf Life Saving Club will be held on
Sunday 12th July 2009 commencing at 3.00pm at the Clubhouse

AGENDA

1. Accept the Minutes of the last Annual General Meeting
2. Receive the Annual Reports
3. Receive the Financial Statements
4. Consider any nominations for Life Membership of the Club
5. Election of Office Bearers
6. Recommendations relevant to Surf Life Saving issues to the incoming committee

LIFE MEMBERS

J. Cowling, F. Bastian*, C. Braithwaite*, A. Dawson*, D. Day, J. Down, C. Filipek,
M. Gawne, E. Gailer*, T. Healy*, E. Hilton, F. Hulbert, B. Lawler, J. Lawler*,
T. Lockart, B. Malouf, T. McLean, J. Mills, G. O'Brien*, W. Palmer, J. Petersen,
R. Pickering, J Pollock*, H. Riding*, R. Shanahan*, T. Slack*, M. Smith*, G. Thorn, N. Voight*,
B. Walker*, P. Wallace*, C. Williams*. (*Deceased)

OFFICE BEARERS FOR 2008 - 2009

Patron Horrie Brauer
Vice Patron John Cowling

COMMITTEE OF MANAGEMENT

President: Terry Maher
Secretary: Barry Benson
Treasurer: Tony Mutkins
Club Captain: Mark Beavis
Directors: John Wake, Paul Worland, Barry Butler, Andrew Claughton, David Day/Terry McLean.
JAC Representative: Rachael Smyth
Licensee: John Wake

SURF & BEACH COMMITTEE

Vice Club Captain: Jason Bailey
Education Officer: Jamie Marschke
Boat Captain: Paul Stocks
Vice Boat Captain: Grant Rigden
Mobile Services Captain: Simon Burgess
Mobile Services Vice Captain: Barry Butler
Branch Delegate: Paul Worland
Alternate Delegate: Rachael Smyth
Board Captain: Kim Bear
Ski Captain: David Reeves
First Aid Officer: Cec Tempone
Radio Officer: Ben Lawler
Craft Carnival Coordinator: Tony Mutkins
Team Manager: Celia Bear
Competition Manager: Celia Bear
Publicity Officer: Rachael Smyth
Gear Steward: Richard Leeson
OH&S Officer: Jamie Marschke
Member Protection Officer: Cath Ninnnes
U/16 Supervisor: Celia Bear

President's Report

It is my pleasure to present the Annual Report and Financial Statements for the Coffs Harbour Surf Life Saving Club for the 2008-2009 season.

It has been a busy but enjoyable season during which club members carried out the core activity of our club with vigilance and service. Evidence of this can be seen in the fact that 60 members achieved a 100% patrol attendance record. Congratulations to

Club Captain Mark Beavis, Vice Captain Jason Bailey, the Surf and Beach Committee and all our active members on a wonderful job patrolling our beach this season.

Education Officer Jamie Marschke, ably assisted by Cec Tempone and several new instructors, were responsible for a large number of awards being obtained by our members this season. This area of activity is extremely important for our club and it is great to see we are in such a healthy position. A very encouraging sign for the future is the number of members taking an interest in becoming qualified instructors to support the valuable work of Jamie and Cec.

Another area of club activity that saw a huge increase in interest and activity was the rowing scene. After not having any crews compete during the 2007-2008 season the club returned to competition in the boat arena with a vengeance with five crews competing at the finals of the North Coast Premiership this season. Congratulations to Boat Captain Paul Stocks, Vice Captain Grant Rigden and "The Panel" on a very successful rebuilding season.

The club's juniors enjoyed a very strong year with record numbers on Sunday mornings and a strong squad training for competition during the week. The club finished third in the juniors at the Country Titles held at Tacking Point. This is the best result for our juniors at the County Titles for many years. It was also very encouraging to see the club had around 20 kids in the Under 14s this year.

The season saw the running of the inaugural Australia Day Fun Run held at Park Beach. The event was run over 2km, 5km and 10km and attracted a field of 236 runners. It is intended to make this an annual event and it was encouraging to hear the number of runners who indicated they would be back again next season.

Work began in April on renovations to the public amenities block in front of our club and the entrance to our clubhouse. This is a joint project with the Coffs Harbour City Council who are funding the public amenities block. We were also able to obtain some State Government grant funding to install disabled access and renovate the entrance to the clubhouse as part of the project. With the addition of club funding a concrete slab is being placed on top of the amenities block enabling the clubhouse to be extended out over this building when funds become available. New members amenities are also part of this ongoing project.

The 35th Annual Craft Carnival was held on the last weekend in November and although it was a great weekend, both the number of competitors and sponsors were down on previous years. In conjunction with the Crafty the first Hugo Smyth Memorial Carnival for Under 11 to Under 17 competitors was held. This was a huge success and with the lessons learned from this season this event promises to be a

great addition to the Crafty weekend in the future. If we are to ensure the future success of the Craft Carnival as a major event for our club and also a major event on the surf boat competition calendar an increased effort in both publicity and the securing of sponsorship is needed. With more and more events competing for competitors time today it is no longer possible to rely on history for the success of this weekend. We are currently exploring new ways of keeping this weekend relevant and attractive to today's competitors.

The Old Boys Committee have again been busy raising funds for the club. The Old Boys have been a wonderful support to the club over many years and on behalf of all our members I take this opportunity to say thank you to President Jim, Secretary Dave and Treasurer Terry and all their members for their support.

Secretary Julie, Licensee John, Treasurer Tony and our small band of volunteers have again done a great job in keeping the "upstairs" area of our club functioning. As can be seen in our financial reports this area of club activity has experienced a huge increase in activity. Our new caterers Matt and Nicole have done a fantastic job in building their business and have opened our eyes to the potential the club has in this area.

On a sad note the club lost Life Member Alan "Sleepy" Dawson during the season. Alan was a life member of Coffs Club, North Coast Branch and SLS NSW. He was a former Secretary, Treasurer, Registrar, Chief Instructor and Vice Captain of our club and received his 50 years service medal in 1999. Alan will be missed by all in Surf Life Saving who knew him.

A challenge our club faces is how to manage the ever-increasing activities and interests of the club and its members in an ever-changing world. With this in mind the Board has appointed a committee to look at ways we can plan for our future. This strategy must cover and include all areas of activity including patrolling our beach, competition, Juniors, the Old Boys, licensed club/restaurant, future building renovations, etc, etc. Over many years previous club management has built our clubhouse, obtained our licence and written the constitution, all of which has served us well in the past and placed us in a very strong position for the future. It is now up to us to take advantage of this position and show the same foresight as we plan the way ahead. All members will be given the chance to have input into this process so I urge you all to give the subject some thought. When thinking about our future the words of Charles Darwin should be kept in mind . . . *It is not the strongest that survives, nor the most intelligent, but the one most adaptable to change.*

In conclusion I thank everyone involved with the club this year for an enjoyable and productive season. With the announcement of a sponsorship from Park Beach Plaza for the next two seasons, a very generous sponsorship from Coffs Harbour Rotary, the continued support of our present sponsors and most of the club's office bearers nominating again we can look forward to a great 2009-2010 season.

Terry Maher, President

Secretary's Report

The Patrol Season has come to a conclusion once again. It has been a busy year for the Club overall with a lot happening.

The new building work is well underway at this time. This is the culmination of many years of work by so many people behind the scenes. The installation of the new lift will make life much easier for many of our visitors the Club.

There have been quite a number of courses run through the season. The Tubby Wallace Members/Training Room has been a great asset providing a better environment for the Trainers and their Course participants.

Our new look Surf Club Café is now well established and proving very well patronised under Matt and Nichole. The Club has become a very popular place to be on Sunday afternoons. The Club also remains very popular as a Wedding venue. All of this provides very necessary income for your Club.

The Boaties are enthusiastic and have continued to grow in numbers returning some good results.

An outstanding year for our Juniors, with a "huge" number of Juniors at seasons end. Competition activities were very strong with some very good results. The Hugo Smyth Memorial Carnival was also a solid success. A huge amount of work is done during the year by the Juniors organisers and also those parents involved.

A mix of beach conditions this year from fabulous to the less than fabulous with some rough conditions and big seas. Once again Members have been there to carry out "Preventions" and rescues when needed with professionalism and without fuss. I look forward to seeing you on the beach next season.

Once again thank you to club members for your support of the club during the year.

Barrie Benson
Honorary Secretary

Treasurer's Report

The 2008/09 season has been a solid year right across the Club. Our patrol numbers are increasing, our nipper membership is well up, we have had some success on the competition front, an exponential increase in boaties participation, and our business activities are showing signs of sustainable growth.

So many have contributed towards making this all happen, and I extend a huge thank you for your efforts.

On the financial front we have achieved a much improved year with the club recording what is considered to be a sound net profit whilst maintaining a steady overall financial position.

There is a continued need to monitor our financial position closely, particularly with the growth in business activities, and the added pressure of member and equipment demands that goes with expansion of our patrol and competitor numbers. We have managed to maintain a healthy financial position despite these pressures and also in the face of a reduction in some sponsorship, which appears largely to be the result of the current economic climate.

On this note I would like to sincerely thank all our sponsors, particularly the major sponsorship from Coffs Harbour Rotary, Park Beach Plaza, Raine and Horne Coffs Harbour, Geoff King Motors, NBN Television, and Park Beach Bowling Club. To all other sponsors (listed elsewhere in this annual report), thank you for your continued support of our Club. Without this we would certainly experience difficulties in providing the volunteer patrol and rescue services for our community.

Last November saw a change in our in-house caterers with Matt Donovan and Nicole Manley and their crew taking on the job. We thank Matthew and Renee Kennedy for their services for the two years prior to this. Their input was a great asset to the commencement of our business operations. Things have stepped up a gear in recent months and this is

reflected in our business trade with strong signs of continued increases. This has also assisted greatly in providing additional exposure for the club which is helping provide us with increased opportunities on many fronts.

Our fundraising efforts have improved this year. The old boys "Greenhouse Tavern" raffles and the members "Pier Hotel" raffles both resulting in excellent returns. The first Fun Run was a resounding success and seems set to repeat this in the future. The Christmas fundraiser undertaken at the Park Beach Plaza was a winner for us and all Clubs in our Branch. Thanks to Park Beach Plaza and all those who participated.

We finally commenced much needed renovations and extensions to our clubhouse, with the works including replacement of the public amenities building, installation of a disabled access and fire protection and prevention infrastructure. This will ensure our Clubhouse meets required standards and provides satisfactory access for all members and other users of our facility. Funding for this project is being sourced from the NSW Department of Sport and Recreation's Surf Club Facilities Development Program, Coffs Harbour City Council, and Club reserves. To our funding partners I extend my sincere thank you as the project could not proceed without your input.

All in all it has been an exciting and rewarding season. But it is largely due to the huge efforts of our volunteer members, whether they be patrolling our beaches, training members, performing volunteer bar duties, or assisting in fundraising activities. A job well done. Thank you all for your efforts.

I look forward to an even bigger season next year.

Tony Mutkins
Honorary Treasurer

Mobile Services Captain's Report

We have reached the end of another season patrolling on Park Beach and we wish to pass on a big thank-you to all the Drivers and Crew who helped keep our beaches safe for another year.

There were a number of call-outs this season; Surf 131 was used with success, which was pleasing to see.

On the 8th of September John Wake took the IRB to Red Rock to assist with the search of a missing male. Unfortunately this did not turn out well for the young person who was located a few days later. We received a further call out on the 1st of December, where Simon and Lee Burgess were called around to Charlesworth Bay. This was without incident and person was safely to shore. The IRB also responded to another call out incident were a Kayaker was taken further out to sea due to prevailing winds and currents. He was located and returned to shore safely, thanks to Chris Hickson and your crew.

All of our equipment is in good working order; we took possession of another new Yamaha motor at the start of the season, which means that we have been turning our motors over every four years.

It was pleasing to see that our prop guards needed little maintenance this year as well as the IRB's. We would like to thank all drivers for their care and diligence with this regard. The less money we need to spend on maintenance helps out our club enormously.

The Craft Carnival was once again a great success, a big tour thank-you to all those members who helped out with water-safety during the carnival, especially to the crew from Sawtell who stayed back each day to help clean and put away the gear. Their efforts did not go unnoticed with the board acknowledging their assistance.

During the season we have 59 preventative rescues, six craft rescues and one roll over recorded in the logbook. The roll over occurred during training. The excuse of using it to educate on restarting the motor is a bit lame.

Unfortunately we know there has been further good work done. However the entries in the IRB log have not been filled out correctly by some crewmembers, which tend to let everyone down. The same can be said for the condition of the IRB's and Club cart of the rare occasions. We all need to take that little bit of extra care if we want to continue to maintain our equipment in good working order.

As you may be aware the Club Cart is in need of replacement. Funds at this time are limited so we need to get as long out of the vehicle as we can. On a pleasing note we received a replacement tractor this year thanks to a generous donation from Coffs Harbour Rotary. The tractor is a four-wheel drive Kubota. A very special thanks to Coffs Harbour Rotary.

Park Beach Plaza has also come on board as major sponsors with the donation of a new IRB. We have ordered the IRB from Mid Coast Marine and expect to receive it by the beginning of next season. Another big special thanks to Park Beach Plaza. We hope all members help get behind these sponsors this next year. Without them we would definitely be struggling.

Regarding training, we had two crew goes through this year. A big thankyou to all those who took the time to attend. Your participation is greatly appreciated and you help to provide a valuable service to our club, as do all other members in whatever tasks they perform.

Finally we would like to thank all those people who have helped to make this a great season. We look forward to seeing you all next year. May the seas go with you all.

Simon Burgess & Barry Butler- Mobile Services Team

Boat Captain's Report

What a great season the Coffs Harbour boat crews had starting at Yamba in September going through the season with five crew's.

The North Coast Boat Series has been one of the most professionally run sporting events for the Coffs Harbour Surf Club crews, because it is right in our back yard which will help with the growth of surf boat rowing, for junior rowers on the North Coast. I would like to thank the president of the North Coast Boat Series Tony Benfield for all his support to the Coffs Harbour Boat Crews.

Throughout the year I've had help from the clubs past but now senior rowers to help with rebuilding. Our Open Women's crew of Belinda Leeson, Alana Bennett, Kate Sullivan and Liz Corkill and Brook Down (sweep), was our most outstanding crew winning the open women's event of the North Coast Boat Series, followed by our Reserve crew of Bryan Stocks, Grant Rigden, Joel Beavis, Morgan McDonough and Paul Worland (Sweep) grew stronger through out the year and finished 2nd in the series.

Our up and coming starts of the club the U19s crew of Zade Goodenough, Gareth Evans, Tom Adams and Joel Beavis and Brook Down (sweep) finished 3rd in the boat series and will be a crew to keep an eye on in years to come.

Our two Master's crews of Terry Maher, Richard Leeson, Chris Hickman, Dave Robertson, John Farlow, Brad Beech and our 3 sweeps Brook Down, Paul Worland and Dean Crockett, all had strong finishing's 2nd at state and 2nd in North Coast Boat Series.

I would like to thank our major sponsor Geoff King Motors, for his on going support for the boat crews Jim Peterson and the Coffs Harbour Old Boys which donated a brand new boat trailer, Stephen Reily from Bungan Beach Surf Life Saving Club who donated a second hand surf boat and oars, also Bananacoast Batteries, Jetty Car Wash and Signwise for all their help.

Paul Stocks, Boat Captain

Club Captain's Report

Well this season has again been fatality free on our watch, congratulations.

We amassed over 4680 patrol hours for our community, and performed over 610 preventative actions.

We have been busy running courses, a big thank you to Jamie, Cec, Simon, Barry, Barry and Chris hope I didn't miss anyone.

They have run courses from SRC to Defib and have done a great job, thanks.

This years under 14s have all gone on to patrol our beach and we hope to see them all next year.

Simon Burgess and Barry Butler have done an outstanding job with the IRBs, with preventative maintenance and some TLC we had ducks at the ready for every patrol this season.

Proficiencies again are a big job, we will be trying to streamline them next year, incorporated in the patrol roster.

It is with great pleasure that I announce we had 60 100%

patrol members this season. Great work.

I would also like to thank my Vice Captain Jason Bailey (the big man) for all his help and advise (not always wanted or used), thanks Jas.

The champion patrol for this year went to Patrol No. 2 under the control of Simon Burgess, congratulations.

As I am writing this State Centre is asking us to increase our patrol hours next season. I suppose the price you pay for being the premier club.

If you are a patrolling member reading this, please remember patrols are arranged in a team structure, so please don't let your team down next season!

Finally Jason and myself would like to extend our thanks to the Board for their ongoing support, and to Julie Hyatt for her behind the scenes work to make our Club great.

**Thanks, Mark (Freddy) Beavis,
Club Captain**

Junior's Report

With the Coffs Harbour Nipper Surf season now over for several months I hope by the time you read this report all the nipper kids and parents especially the parents are enjoying the Sunday morning sleep inns and relaxed coffees.

The 2008/2009 season has being a great one for lots of reasons and it started back in September when we had over 250 kids join the club then followed with the introduction of the new Junior Development Program, great surf conditions and all the fun we have had this season finishing off with the best surf competition results in the last 10 years.

Surf lifesaving is the best way to experience one of Australia's favourite places - the beach. The new Junior Development program teaches the kids to have fun meet new friends learn about the beach & surf conditions while helping all the kids on the way to becoming young lifesavers and have assisted all the clubs Age Managers

With the U/14s Age group the biggest in a long time with 12 new members for a total of 20 we wish all the U/ 14's all the best in the Senior Club and hope they come back next season to achieve their Bronze Medallions and continue to do patrols and be involved in the fantastic environment of being in a Surf Club.

Good junior surf clubs require lots of support from all the parents and like previous years this season we had great support and I would like to thank all the coaches, committee, age managers, water safety, officials, Ian Jones from the Coffs Harbour Olympic Pool, Rachael for the trendy merchandising and a special thanks to Mark Beavis & Dave

Reeves who have both completed over 12 years in the Coffs nippers they will be sadly missed.

We have had fantastic support from all our sponsors and we would like to thank the following business and hope to see their support again next season-

Park Beach Holiday Parks

Boambee Bay Carpet Cleaning

Ray Ellicott Concreting

BONDS

Coffs Harbour Surf Club Old Boys

Coffs Harbour City Rotary Club

MacDonald's

Park Beach Plaza

The Club once again this season focused on developing the basic surf skills of all members and it continues to provide benefits for all, and this is reflected in the results achieved by club members in the competitive arena this year. With up to 75 nippers of all ages attending the weekly board training sessions the skill level of all members, along with their understanding of the surf, has improved dramatically. The overall success of the team at Branch, Country and State levels ensured that this season will rank as one of the most outstanding for many years. With up to 100 members attending the Branch carnivals throughout the season Coffs consistently proved too strong for all other comers and

finished up undefeated at each of the carnivals over the season.

The emerging dominance shown in the water over the last couple of years continued whilst the introduction of a training program for beach events this year saw immediate benefits with the Club also coming to the fore on the sand.

The highlight of the local season was the emphatic victory at the Branch Championships at Nambucca Heads, with the margin over Woolgoolga exceeding 200 points. This win represented the first time in 7 years that the Club had claimed the Branch Champs.

Earlier in the year a team of almost 60 travelled to Tacking Point for the NSW Country Titles and exceeded all expectations by claiming 3rd place overall. Outstanding performances in the water and on the sand which resulted in 10 gold amongst the medal haul saw Coffs finish only 4 points behind Lennox Head, and only 47 points behind the powerhouse Warilla Barrack Point.

A five gold medal haul by U/14 Tyler Partland, along with a 1,2,3 finish in the U/13 female swim by Jess Carah, Carla Westwood and Josie Bailey stood out amongst a number of highlights for the Club.

A team of 17 members also travelled to the State Age Titles at Swansea in February and once again proved themselves with every competitor making at least one final. Sean O'Reilly travelled down hoping to make a final but performed exceptionally well to claim a bronze medal in the U/9's surf race in a race that attracted over 180 starters.

A number of U/14s also returned the following week and competed up an age group at the State Open Titles with the standout performance being the bronze medal snared by Lilli Smyth in the U/15 2km soft sand run.

With the Club achieving such outstanding success throughout the season the winners of the major awards were always going to be very well deserved recipients, with many closely fought awards.

In their last year of Nippers before entering the senior ranks a number of under 14's were recognised for their services to the Club and the community in general.

The joint winners of the Rotary Club awards for 2008-09 were Sarah Lumley and Brandon Kelly. Honoured for their leadership and involvement in all community activities undertaken by the Club this award proved a rewarding end to their season. When the call goes out for nippers to help out in any way around the club, Lilli Smyth and Kyle Beavis are always amongst the first to put their hands up and this was recognised when they were named the male and female Club Persons of the Year.

An outstanding year in competition by under 13 Josie Bailey that saw Josie take gold in the ironperson and bronze in the surf and board races at the Country Titles, along with finals appearances at State, saw Josie claim the Female Champion Competitor of the Year title from a hot field of contenders. Josie also proved very competitive earlier in the season at the NSW Interbranch Championships.

Tyler Partland (U/14's) was rewarded for his successful year when he claimed the Champion Male Competitor title. The 2008-09 season started off well with Tyler grabbing top 10 finishes in all of his events at the NSW Interbranch Titles. Country proved a very successful carnival with his 5 gold medal haul, including his 4th consecutive Ironman title. Four finals appearances at the State Age Titles concluded a successful year.

With many members improving under the Clubs training programme the winners of the Most Improved awards for the season were always going to be a tough choice but after much deliberation Joanna Charles (U/12's) and Sean O'Reilly (U/9's) were recognised for their much improved all round surf skills.

In the final major award for the year Nick Bailey and Shane Ellis was rewarded with the Charles Heimbright perpetual trophy.

In order to determine the individual age champions for the under 8's through to under 14's, 2 rounds of Club Championships were held throughout the season and each of the winners of these awards were as follows;

- U8's Girls Champion - Emily Conlan
- U8's Boys Champion - Ethan Bottero
- U9's Girls Champion - Claudia Charles
- U9's Boys Champion - Ky Kinsella
- U10's Girls Champion - Lilly Bottero
- U10's Boys Champion - Jacob Mercy Ireland
- U11's Girls Champion - Maddy Carah
- U11's Boys Champion - Kieran Riches
- U12's Girls Champion - Zoe Burgess
- U12's Boys Champion - Lachlan Kelly
- U13's Girls Champion - Josie Bailey
- U13's Boys Champion - Patrick Wilson
- U14's Girls Champion - Sarah Lumley
- U14's Boys Champion - Tyler Partland

If you have the opportunity in the off season please encourage another friend or family to join a local Surf Club because many Coffs kids need to learn more about Surf Safety & Surf Awareness.

**See you next season
Cheers Mick Carah**

Education Officer's Report

Another good year as far as awards goes with a good number of Coffs Harbour member's participating in higher level Branch Run Courses. The club members can be proud because we had a 220% increase in awards this season, an outstanding effort by all those involved from the juniors up. Both John Wake and myself completed a very lengthy Cert IV course, which took up a fair chunk of our spare time to complete. So well done on the completion of this award which is now necessary for all Facilitators and to ensure that Surf Life Saving NSW keeps in line with Registered Training Organisations (RTO) and Australian Quality Training Framework (AQTF) guidelines, it should also be noted that Surf Life Saving NSW is one of the leaders in Australia with its advancements in trainer qualifications. This award and our continual audit requirements with State Centre has helped the club to keep proficient in the large pile of paper work that needs to be filled out with each club run course. There are a few members who I would like to thank for getting up and helping with a much-overloaded training schedule. Ces Tempone, Simon Burges, John Wake and Barry Butler have been a great asset by turning out great IRB Crew and Drivers awards, a much-needed award on patrols. I would encourage more members to obtain this award. Ces, Barry Butler and Barry Benson have also doubled up to help with our Bronze courses which as we all know is the pinnacle award in the Surf Life Saving movement. I would also like to thank Jayne Morrison and Judy Spicer for their assistance in the processing of RPL's and awards. We also have seen a very good and encouraging interest in new

instructors wanting to help run awards. The people who have put their name forward I thank you and look forward to working with you on what will be a very rewarding path. It is also very encouraging to see some of the ladies in our club stepping forward to gain Training Awards, we do need more!

The new training room has been constantly used; this has been, and still is one of the clubs greatest assets. From junior meetings, branch run courses to club run courses the room has been well set up and is a credit to our club as the best training facility in our branch. A big thank you to the construction crew for rushing the room through.

I would also like to encourage more members to look at some of the higher awards as we will be running most of them at our club, in particular the Basic Beach Management Award (Patrol Captains). If you have been a Patrol Captain at some time please contact me for RPL (recognized Prior Learning) on this award, we do need more members to hold this award and this is a requirement from SLSA.

Personally it has been a very busy season with all awards possible being run, both at Branch level and Club level. Our club has had a massive amount of awards pushed through and for that I say thank you and well done to our Instructors and our probationary Instructors, it is a lot of hours but the final outcome is well worth it. If you have helped train a person who performed a rescue this year you should feel mighty proud of yourself!

See you all on the beach

Jamie Marschke, Training Officer CHSLSC

Old Boys' Report

Times seem to keep getting better for this great club. With the upgraded bar coping very well with what would appear to be a doubling of patronage.

Further extensions are under way and our Old Boys Treasurer Terry McLean has drawn in the reins this year in preparation for the old boys to play their part when required to ensure a maximum amount of improvements can be completed.

Never the less the old boys:

- Purchased a full set off March Past costumes for the senior club thanks to Kathy Chase for her help in this endeavor.
- A heavy duty boat trailer was also supplied to the boats thanks goes out again to Martil Engineering for there continued support
- Boat Captain Paul Stocks was pleased also to receive a brand new surf boat pump
- The "Tubby Wallace" training room was completed and thanks to all involved
- Repairs were carried out to the deck tables thanks again to Martil

Engineering and Coffs Harbour Galvanizing Services {Graham Group}

- Repairs were done and parts supplied to the outside railing thanks here to Graham Thorn for his great work
- Last but not least a new office chair was purchased for the club. Unfortunately two very prominent old members were lost to us in the past season,

Life Member and Old Boy Allan Dawson sadly passed away his moving service was held in Southport. Phil Standen Old Boy and also a member of Sawtell SLSC had a huge memorial service at their club. The Old Boys sadly pass on our sincere condolences to their families.

I would like to thank all our members and supporters for another very busy year.

Jim Petersen, President Old Boys
David Day, Secretary Old Boys

Board & Ski Report

The club has remained consistent on the competition front with some good results at Country and State championships from a small contingent of competitors, some U/14s competing up an age level performed well. We again dominated the male section of all Branch carnivals, but most pleasing was to see a group of girls coming through in our Under 15 group, they are strong competitors individually and in team events and we encourage them to continue their training. This Under 15 group along with some strong competitors coming through from juniors, our Masters that are competing and having a great time and strong efforts from our other competitors who are training around their studies heads well for the club next season. With the Australian Titles back on the East Coast it would be great to see the Coffs Club competing at this level.

Coaching continues to help improve skills especially to new ski paddlers, some of whom enjoyed our Sunday morning training

paddles.

Many thanks to our sponsors this season Park Beach Bowling Club, Coffs Coast Sports Physiotherapy and The Pier Hotel. Through their support and the hard work of our raffle crew at The Pier we have been able to purchase some new equipment this season, including 2 skis, a double ski, paddles and we currently have some boards on order. As our competitor base grows the new equipment will be very useful.

As we endeavour to upgrade equipment it would be appreciated if members could check with relevant captain before using craft, as some is not for recreational use.

We would like to acknowledge Terry Maher and the board for their hard work this year and thank them for their support.

Independent Audit Report to the members of Coffs Harbour Surf Life Saving Club Ltd

Report on the Financial Report

We have audited the accompanying financial report of Coffs Harbour Surf Life Saving Club Ltd, which comprises the balance sheet as at 30 April 2009, and the income statement, statement of changes in equity and cash flow statement for the year ended that date a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, provided to the directors of Coffs Harbour Surf Life Saving Club Ltd on 4 June 2009, would be in the same terms if provided to the directors as at the date of this auditor's report.

Independent Audit Report to the members of Coffs Harbour Surf Life Saving Club Ltd

Auditor's Opinion

In our opinion the financial report of Coffs Harbour Surf Life Saving Club Ltd is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the company's financial position as at 30 April 2009 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.

Notes to the Financial Statements

For the Year Ended 30 April 2009

1 Summary of Significant Accounting Policies

(a) General information

The financial report is for Coffs Harbour Surf Life Saving Club Ltd as an individual entity, incorporated and domiciled in Australia. Coffs Harbour Surf Life Saving Club Ltd is a company limited by guarantee.

The company holds an authority to fundraise under the Charitable Fundraising Act and Regulations.

(b) Basis of preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

(c) Comparatives

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(d) Inventories

Inventories are measured at cost.

Coffs Harbour Surf Life Saving Club Ltd

54 002 880 346

Notes to the Financial Statements

For the Year Ended 30 April 2009

1 Summary of Significant Accounting Policies continued

(e) Property, plant and equipment

Plant and equipment

Plant and equipment are measured on the cost basis.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a diminishing value basis over the asset's useful life to the company commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset

Plant and Equipment	6% - 40%
Leasehold improvements	2.5% PC - 10% DV

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

(f) Financial Instruments

Recognition and Initial Measurement

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the company becomes a party to the contractual provisions of the instruments.

Financial instruments are initially measured at fair value plus transactions costs where the instrument is not classified as at fair value through profit or loss. Transaction costs related to instruments classified as at fair value through profit or loss are expensed to profit or loss immediately. Financial instruments are classified and measured as set out below.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed is recognised in profit or loss.

Classification and Subsequent Measurement

Coffs Harbour Surf Life Saving Club Ltd

54 002 880 346

Notes to the Financial Statements

For the Year Ended 30 April 2009

1 Summary of Significant Accounting Policies continued

(f) Financial Instruments continued

(i) Financial assets at fair value through profit or loss

Financial assets are classified at fair value through profit or loss when they are held for trading for the purpose of short-term profit taking, where they are derivatives not held for hedging purposes, or designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Realised and unrealised gains and losses arising from changes in fair value are included in profit or loss in the period in which they arise.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost using the effective interest rate method.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the company's intention to hold these investments to maturity. They are subsequently measured at amortised cost using the effective interest rate method.

(iv) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost using the effective interest rate method.

Financial assets at fair value through profit and loss

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or if so designated by management and within the requirements of AASB 139: Recognition and Measurement of Financial Instruments. Derivatives are also categorised as held for trading unless they are designated as hedges. Realised and unrealised gains and losses arising from changes in the fair value of these assets are included in the income statement in the period in which they arise.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

Coffs Harbour Surf Life Saving Club Ltd

54 002 880 346

Notes to the Financial Statements

For the Year Ended 30 April 2009

1 Summary of Significant Accounting Policies continued

(f) Financial Instruments continued

Held-to-maturity investments

These investments have fixed maturities, and it is the company's intention to hold these investments to maturity. Any held-to-maturity investments held by the company are stated at amortised cost using the effective interest rate method.

Financial liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

Impairment

At each reporting date, the company assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the income statement.

(g) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(h) Employee benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at present value of the estimated future cash outflows to be made for those benefits. These cashflows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cashflows.

(i) Revenue

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. Any consideration deferred is treated as the provision of finance and is discounted at a rate of interest that is generally accepted in the market for similar arrangements. The difference between the amount initially recognised and the amount ultimately received is interest revenue.

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and the cessation of all involvement in those goods.

Coffs Harbour Surf Life Saving Club Ltd

54 002 880 346

Notes to the Financial Statements

For the Year Ended 30 April 2009

1 Summary of Significant Accounting Policies continued

(i) Revenue continued

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the reporting date and where the outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(k) Rounding of Amounts

The company has applied the relief available to it under ASIC Class Order 98/100 and accordingly, amounts in the financial report and directors' report have been rounded off to the nearest \$ 1.

8 Issued Capital

(a) Capital Management

Management controls the capital of Coffs Harbour Surf Life Saving Club Ltd in order to maintain a good debt to equity ratio and to ensure that the company can fund its operations and continue as a going concern.

Coffs Harbour Surf Life Saving Club Ltd's debt and capital includes financial liabilities supported by financial assets.

There are no externally imposed capital requirements.

Management effectively manages Coffs Harbour Surf Life Saving Club Ltd's capital by assessing the company's financial risks and adjusting its capital structure in response to changes in these risks. These responses include the management of debt levels.

There have been no changes in the strategy adopted by management to control the capital of the company since the prior year. The strategy is to ensure that there is sufficient cash to meet trade and sundry payables and borrowings.

Coffs Harbour Surf Life Saving Club Ltd

54 002 880 346

Notes to the Financial Statements

For the Year Ended 30 April 2009

Coffs Harbour Surf Life Saving Club Ltd

54 002 880 346

Notes to the Financial Statements

For the Year Ended 30 April 2009

13 Financial instruments

(a) Financial Risk Management Policies

The company's financial instruments consist mainly of deposits with banks, short-term investments, accounts receivable and accounts payable.

The main purpose for non-derivative financial instruments is to raise finance for group operations.

Coffs Harbour Surf Life Saving Club Ltd does not have any derivative financial instruments.

(i) Financial Risk Exposures and Management

The main risks the company is exposed to through its financial instruments are interest rate risk, liquidity risk and price risk.

Interest rate risk

Interest rate risk is managed with a mixture of fixed and floating rate debt. At 30 April 2009, all of the company's debt is non interest bearing.

Liquidity Risk

The company manages liquidity risk by monitoring forecast cash flows and ensuring that adequate unutilised borrowing facilities are maintained.

Price risk

The company is not exposed to any material commodity price risk.

Cotts Harbour Surf Life Saving Club Ltd
